

100,000 Homes Campaign Chicago: Volunteer Recruitment Committee

Purpose:

The goal of the Volunteer Recruitment Committee is to enlist the volunteers that will assist in executing both Registry Week and the campaign in general. Members of the committee will find creative sources of volunteer work and ensure that sufficient help is secured. Volunteer help is essential the campaign effort and will provide the added support needed for a successful Registry Week and overall campaign.

Tasks:

Members of the Volunteer Recruitment Committee will perform the following tasks at meetings:

- Quantify the number of volunteers needed for Registry Week as well as the skills and commitment requirements
- Collaborate with other committees to ensure a sufficient amount of volunteers for all sheltered and unsheltered registry dates and times
- Confirm locations for volunteers for each day of Registry Week
- Develop strategy and materials for recruiting volunteers (marketing)
- Recruit sufficient amount of volunteers for Registry Week
- Recognize volunteers for their contributions
